

Faster Payments (FPS) participants

Specific Direction 20 (SD20) requires PSPs to follow certain rules for reimbursing victims of authorised push payment (APP) fraud. These rules are set by the operator of Faster Payments, Pay.UK, under our Specific Requirement 1. We call them the FPS reimbursement rules.

We are providing this list to help PSPs understand whether they are captured by SD20.

All firms are responsible for determining their legal obligations and we do not guarantee that this is a complete list. Firms that participate in FPS and provide relevant accounts must comply with SD20 and the FPS reimbursement rules unless they can demonstrate otherwise. Our assumption is that all firms on this list fall into this category unless they can demonstrate otherwise.

This list is based on the responses we have received from directed IAPs. If you are a participant in FPS and are not named on this list, please email us at appscams@psr.org.uk
